Project Abstract: Chinmayi packers and Movers is a project which is developed to provide an interactive platform between clients and packers and Movers Company. This project provides best and reliable services in relocating. Clients can book the services through this web portal. This Project provides useful information to clients in the process of relocating their house. . Packers and movers agency works according to the needs and requirement of the customers and provide them the desirable results. The packers and movers agencies uses best quality packing materials to pack our goods in such a way that all goods remain in safe condition during transit & moving services assure the safe delivery of our goods at our destination.

In the existing system shifting goods and households is that either to take all the goods or to leave some of it or to sold them out. while relocating most of the goods get damaged to overcome this problem we have designed a web portal so that all the companies register over. Packers and movers is an online platform for service seekers and service providers where all the companies can register they do communicate directly with service seekers. In Packers and movers we have listed excellent packing moving service providers of, household shifting and relocation services providers, car transportation, office relocation, home, industrial or commercial shifting service providers of India.

**Project Need:** Packers And Movers after having your enquiry sends you some vendors name with complete address nearby to your current location that could easily pick up your goods. Get The Relocation, Moving and Packing And Shifting Services Companies .Packers Movers Provides Packers Movers List, Movers Packers in Bangalore, Local Shifting, Relocation, Packers Movers, Local Household Shifting, Office Shifting, Logistics and Transportation, Top Packers Movers, Best Packers Movers, Good Movers Packers, Home Shifting, Packers And Movers Reviews, Cheap Top Movers Packers in, Moving and Packing Service Company.

**Project Usage:** It is used in door to door services of shifting your goods. It is used by packers and movers to move your heavy furniture, heavy electronic item.

**Benefits:** Below are some benefits of hiring packers and movers in

**Safety:** The main concern while relocating is the safety of the goods and packers and movers in Pune provides that only. They pack the goods with right packing method and in appropriate container that prevents the goods from damages.

**Insurance:** One of the best benefits is the insurance that a reliable moving company does for the safety of the goods against damages. With this all the losses will be compensated to you if occur any during relocation.

**Convenience:** You need to only discuss your requirements and demands regarding moving and shifting and the rest will be handle by the packers and movers. You need not to put any efforts in the shifting process rather you can simply enjoy hassle free move with them by just seeing them working as per needs and demands.

**Cost Effective:** If you will follow the DIY process you could cost a lot for labor costing, transportation charges, packaging materials etc. but with packers and movers in Pune you only have to pay their fee that is much lesser than the DIY process expenses.

.....Thank you.....
